CMN Inc. Announces Organizational Changes

Toronto, ON – CMN is pleased to announce that they have recently filled the positions of Director, Claims and Repricing and Operations Manager, Claims and Repricing. Joining CMN as the new Director, Claims and Repricing is Sameer Khan, while Zulfikar Nanji, has been appointed to the position of Operations Manager, Claims and Repricing.

Most recently, Sameer held the position of International Claims Manager at NAS – United Healthcare Services in the UAE. Sameer received his Medical Degree in Romania and has also successfully completed his ALMI, ACS and Certified Medical Underwriter designations from LOMA. In addition to his excellent academic background, Sameer has gained valuable exposure to the setup, operation and management of TPA relationships. Sameer has recently relocated to Canada with his family and is looking forward to getting to know the team at CMN and their valued clients.

Sameer will be part of the CMN Leadership Team and will report directly to Derrick Davidson, Vice-President, Operations.

Since joining CMN in September 2010 as a consultant, Zulfikar has worked diligently to establish relationships at all levels of CMN in order to better streamline operational processes and the implementation of new clients. In this newly created role, Zulfikar will continue working with the various divisions at CMN to further enhance both their operational and client implementation processes. Zulfikar will report directly to Sameer Khan, Director, Claims and Repricing.

About CMN Inc.

CMN Inc. is recognized as the service leader in borderless healthcare management and cost containment.

Founded in 1995, CMN Inc., a Europ Assistance Company, is an international health management company that assists clients – including insurance companies and government entities, and their insured members – to successfully navigate the increasingly complex global healthcare system with economic ease.

Our medical case management, North American and international proprietary provider networks, customized services, and technology are all seamlessly interwoven to ensure patients receive the best-possible medical care and service, while reducing and managing our clients' risks and costs.

As a member of the Europ Assistance Group, the company that created the concept of Travel Assistance over 40 years ago, CMN is able to provide clients with access to an exceptional international network. With a presence on five continents, and a network consisting of over 7,000 acute care facilities and over 400,000 physicians and specialists offering assistance in over 130 countries, CMN is your most experienced and trusted partner for unrivalled access to the best medical care in the world.
