# CMN Welcomes New Argus CEO Alison Hill

Toronto, ON – CMN is pleased to announce that the new CEO of Argus, Alison Hill, was welcomed to CMN in a visit to the Thornhill office on April 27, 2011.

Argus announced that Alison Hill, C Chief Operating Officer (COO), has taken on the additional role of Chief Executive Officer (CEO), effective January 1, 2011. Gerald Simmons, formerly President & CEO, retains the position of President of the company. The decision to expand Ms. Hill's role is to ensure a smooth transition in preparation for the anticipated retirement of Mr. Simons in 2012. The company is also making the leadership change to ensure its long term sustainability and to allow the company more time to focus on important special projects, which include the social, economic and regulatory issues arising from a difficult economic climate and increased regulatory oversight. Mr. Simons will be particularly focused on the proposed changes to the healthcare system that are due to take place over the next two years. In addition, she will ensure the continuity of certain key client relationships.

“It was a real pleasure and honor to have Ms. Hill in our offices. When CMN signed our first contract with Argus 15 years ago, CMN had less than 10 employees. Today, we have more than 200 in the Toronto office alone.” says Peter Lozier, Executive Vice President of CMN Inc. “Along with Ms. Hill and her leadership team, we look forward to a continued partnership offering a best in class solution for healthcare access to Bermuda citizens.”
