News Release

CMN Inc. Becomes Third Party Administrator in the Cayman Islands

Toronto, August 1, 2007 – CMN is pleased to announce that Generali Worldwide has named them as the Third Party Administrator (TPA) for the Cayman Islands. CMN has assumed responsibility for the full processing, adjudication and payment of all Generali local health claims and is also managing all of the overseas cases and claims for Generali.

CMN has been working with various clients on the Cayman Islands for over ten years, but this marks the first time that CMN will be adjudicating and paying local claims. The initial transition has been very successful with improvements in claims turnaround time and customer service.

“CMN is extremely honoured to be named as the TPA for all Generali local claims in the Cayman Islands. Over the course of the last few years, we have made significant investments in enhancing our technological and claims handling capabilities. This is an important new line of business for CMN that we can now offer other clients.” says Peter Lozier, Vice President, Sales, Marketing and Provider Relations for CMN Inc.
