

**CMN Managing With Care™**

## **News Release**

### **CMN Inc. Expands Leadership Team**

Toronto, June 30, 2006 – CMN is pleased to announce that they have expanded their leadership team. Joining CMN's leadership team over the last six months are Tarra Mont-Colgan – Director, Case Management, Manny Kandola – Director, Technology, and Mahmoud Ramadan – Director, Claims and Repricing. All three bring extensive industry and functional experience to CMN and are key additions to the team as CMN continues to experience significant growth.

“This year John Park, Peter Lozier and myself have charted CMN's continued evolution and recognized we needed to make key additions to our leadership team. The additions of Tarra, Manny and Mahmoud significantly strengthens our senior leadership team in the key operating areas of CMN and will give us the foundation to better support our clients as we win additional business.” says Alex Kroon, COO, CMN Inc. “I would also like to use this opportunity to recognize the ongoing contribution of existing members of the leadership team. Rosanna Borgh has chosen to apply her extensive experience at CMN in a new role of Director, Quality and Procedure. Dr Kim Panovka continues her contribution as the CMN Medical Director.

To learn more about Tarra, Manny and Mahmoud and the vast experience that they bring to CMN, please visit the Management Team profiles page at [www.cmn-global.com](http://www.cmn-global.com).

Please join us in welcoming Tarra, Manny and Mahmoud to CMN.

### **About CMN Inc.**

Founded in 1995, CMN Inc. is an international health management company that assists clients – including insurance companies and government entities, and their insured members – to successfully navigate the increasingly complex global healthcare system with economic ease.

Our medical case management, North American and international proprietary provider networks, customized services, and technology are all seamlessly interwoven to ensure patients receive the best-possible medical care and service, while reducing and managing our clients' risks and costs.
