

CMN Managing With Care™

News Release

CMN Inc. Surpasses \$400M in Annual Billed Charges

Toronto, December 30, 2009 – CMN is pleased to announce that in combination with GMMI, Europ Assistance Group's other cost containment firm based in Florida, they have been able to surpass \$400 million in annual U.S. healthcare billed charges.

"2009 marked the first full year of CMN and GMMI's network integration and I am very pleased with the results that we have been able to accomplish. By having the ability to pool our provider networks together, CMN and GMMI have been able to offer our clients a more robust offering. Reaching this volume milestone puts our combined Europ Assistance cost containment portfolio into a unique leadership position in the industry based on size and service capabilities" says Alex Kroon, President and CEO, CMN Inc. and President, GMMI.

About CMN Inc.

Founded in 1995, CMN Inc., a Europ Assistance Company, is an international health management company that assists clients – including insurance companies and government entities, and their insured members – to successfully navigate the increasingly complex global healthcare system with economic ease.

Our medical case management, North American and international proprietary provider networks, customized services, and technology are all seamlessly interwoven to ensure patients receive the best-possible medical care and service, while reducing and managing our clients' risks and costs.

As a member of the Europ Assistance Group, the company that created the concept of Travel Assistance over 40 years ago, CMN is able to provide clients with access to an exceptional international network. With a presence on five continents, and a network consisting of over 7,000 acute care facilities and over 400,000 physicians and specialists offering assistance in over 130 countries, CMN is your most experienced and trusted partner for unrivalled access to the best medical care in the world.
